

## Data Analyst (Part-time Student)

Based in: Arnhem, the Netherlands

### About Agriterra

Agriterra is the world's leading not-for-profit agri-agency from-and-for agricultural cooperatives and farmer organisations. Our mission is to strengthen organised farmers in developing and emerging countries, given the importance of effectively organised farmers to sustainably address food security, economic development, climate adaptation and mitigation. We work via donor-granted projects and programmes. These long-lasting strategic partnerships with a variety of donors are key for us in our day-to-day work. For more information, visit our website [www.agriterra.org](http://www.agriterra.org).

### About the job

As a Data Analyst, you are responsible for creating consistent and easily accessible dashboards with the organisational, using PowerBI as well as other tools and apps to meet business requirements. Furthermore, you will be a sparring partner to the target audiences, ensuring that the dashboards are kept in line with the changing business needs, easily accessible, and that sensitive information is only available for authorised staff. In addition, you build and maintain data sources to ensure the data is readily, accurately, and consistently accessible through the developed dashboards. You identify opportunities for improvement by using Microsoft Power Apps and/or Power Automate.

### What do you offer?

- You follow a degree related to data analysis and data visualisation
- You have experience using Microsoft Power BI for creating dashboards, knowledge of SQL/Azure is a plus
- You are fluent in Dutch and English (speaking and writing)
- You have strong analytical & critical thinking, planning and problem-solving skills and a real trouble shooter & innovator!

### What do we offer?

- A fun and yet challenging opportunity to learn about data analysis and data collection in a multicultural non-profit organisation
- A wonderful and dynamic work environment in the city centre of Arnhem
- Work with diverse and driven colleagues
- Hybrid work opportunities with flexible hours
- Competitive salary
- Travel allowance
